Dear Parents and Students,

On behalf of the staff at Thompson, let me share how excited we are for this new school year. We are looking forward to working together to ensure our students can achieve their highest potential. Thompson has a long history of students reaching high achievement in academics, athletics and fine arts. We are committed to ensuring our students develop the knowledge, skills and habits of mind that will prepare them for success this school year, in high school and beyond.

We know that communication with our parents and community is critical to successfully working together to support our students. This year, we will be focused on providing you with multiple ways to access school information along with important news and upcoming events. Please take the time to review the bottom of this newsletter for the many ways you can keep "In Touch with Thompson".

I would like to invite you to visit with our faculty and staff during **Open House** on Thursday, September 8th from 6:00-8:00 p.m. This is a wonderful opportunity for you to meet your students' teachers.

We look forward to working with you this school year!

Sincerely,

Dr. Melissa Allen
Principal

Upcoming Events

See back of newsletter for calendar.

Special Note:

September 5th – Labor Day –
No School

In Touch *with* Thompson
